

IMPACT
PRESENTATION SOLUTIONS

Tailored for your audience

Binding Supplies and Report Covers

Make your presentations look as professional as you. Easily match a GBC cover and spine or report cover to your occasion.

How to Choose

What is the occasion for your presentation?

- Professional–client presentations, bids and sales proposals, formal presentations
- Business Casual–internal meetings, project updates, training and resource materials

Do you want to bind your document or use a report cover?

- Binding is the most professional choice, and bound documents hold more pages.
 - If you own a binding machine, be sure you choose a spine compatible with your machine:
 - ProClick® holds up to 100 sheets
 - VeloBind® holds up to 250 sheets
 - Matte CombBind® holds up to 200 sheets
 - CombBind® holds up to 425 sheets
 - WireBind holds up to 110 sheets
- Report covers offer a fast and easy solution in a variety of styles, but hold fewer pages, approximately 40 sheets:
 - Folders
 - Punchless Report Covers
 - 3-Hole Punch Report Covers
 - Presentation Books

ProClick® Easy Edit Binding Spines

Commanding attention has never been easier. With sleekly designed ProClick spines, making page changes is a snap. Spine simply zips to open and zips to close. Edit anytime with no machines and no worries while allowing plenty of time to celebrate your achievement.
