ShredMaster® Shredders – 2009

Take protection into your own hands

How to Choose

Frequency – Don't underestimate your organization's needs, most businesses shred twice as much as they think they will.

- **Frequent usage** – Typically more than 10 users who shred regularly, ideal for large offices or departments
Shredders in this category provide:
 - Maximum productivity, destroys a large number of sheets at a time
 - Continuous operation, no cool down needed
 - Highest waste bin capacity
- **Moderate usage** – Usually 5-10 users who shred often, ideal for medium departments
Shredders in this group offer:
 - Strong productivity, shreds a standard number of sheets at a time
 - Non-continuous operation, some cool down needed
 - High waste bin capacity
- **Occasional usage** – Normally 1-4 users, ideal for small or home offices
Shredders in this set give:
 - Lighter productivity, shreds fewer sheets at a time
 - Intermittent operation, more frequent cool down needed
 - Average waste bin capacity

Shredding style

Choose your style based on the level of security and speed of shredding desired.

	Security level	Shred speed
Strip-cut	 Low – Internal documents with non-sensitive information	Fastest
Cross-cut	 Moderate – Confidential documents with social security, employee id and strategic information	Very fast
Micro-cut	 High – Sensitive documents with financial, medical and proprietary information	Faster
Super micro-cut	 Highest – Top secret government documents	Fast

Tip – Use a GBC® ShredMaster® Jam Free Series shredder to prevent paper jams from ever happening.

Incorporate a GBC ShredMaster shredder into your daily routine. Select from a full line of shredders sure meet your needs.
