### COMPLETE COMPATIBILITY

Ignition guest chairs coordinate perfectly with Ignition lounge seating to create a professional and welcoming reception area. Their compatibility with Ignition executive and work chairs also lets them serve as side chairs in private offices and workstations.

### WARMER RECEPTION

Able to seat one, two, or three people, Ignition lounge seating makes everyone's wait more comfortable and enjoyable. It also gives lobbies or other public areas a professional look you can carry through the rest of the office with other Ignition seating options.
