Expand your horizons.

## **Great value for your everyday color needs**

Printing should be as attractive on your budget as it is on your documents. Built for demanding medium-sized workgroups, the Lexmark X560n MFP brings you a world of cost-saving benefits. By merging print, copy, fax and scan into one high-performance network device, you save considerably on office space, hardware costs, consumables, service contracts and energy. But why stop there? Opt for the high-yield cartridges to drive down your cost per page. Add the optional duplex unit to save paper, money and the environment – all at the same time!

## **Elevate office productivity!**

The Lexmark X560n is robust, reliable and ready to go to work with PostScript 3 and PCL 6 compatibility. It is perfect for integration into any IT environment. Need to copy a large presentation before lunch? No problem. Just load the 50-page Automatic Document Feeder and zip through your document. More than just fast, the X560n gives you a range of efficiency-boosting features too, like a multipurpose feeder, fax speed dials and intuitive workflow software to digitize, manage, search and edit documents with ease.

## An effortless way of working

A plug-and-print solution, everything about the Lexmark X560n is straightforward and simple. The consumables are 100% front-loading, so they take just seconds to replace. The operator panel offers a variety of intuitive features to simplify everyday workflow tasks. For instance, it includes a handy job-cancel button to put the brakes on print runs quickly, so you don't waste paper. The 4-line graphical display guides you through printing and maintenance tasks with ease. You get the tools you need to help maximize uptime and boost productivity!

## Color you can be proud of

Studies show that color can increase brand recognition and reader retention by up to 80%, and that more than 60% of buying decisions are based on color! \* Even a little bit of color can make a big difference in your business. So when you can acquire color that's fast and affordable as well as eye-catching, why settle for anything less? Combining newly enhanced toner, Pantone calibration and crisp 2400 Image Quality, the Lexmark X560n is perfect for all your important document needs – from presentations and office memos to spreadsheets and newsletters.
