SF-560R SF-565PR

Business Class Laser MFPs

- Fast Super G3 33.6 Kbps fax modem
- 3 sec./page transmission speed (approx.)
- Fax battery backup up to 96 hours (4 days)
- 2 MB fax memory (approx. 160 pages)
- Speeds up to 17 cpm, 17 ppm
- 250-sheet cassette, 20-sheet ADF
- USB 2.0 connectivity (SF-565PR)
- Windows and Linux compatible (SF-565PR via USB)

imagine getting all your work done in eight hours. The Samsung SF-560R and SF-565PR laser MFPs can help. Powerful G3 33.6 Kbps modems send your faxes out at a rate of just 3 seconds per page. Integrated digital copiers copy at speeds up to 17 cpm. The SF-565PR adds 17 ppm laser printing for crisp, professional documents. And both offer scanning capability, so you can digitize and quickly print or fax, all from a single compact machine. They're machines that get the work done. With the Samsung SF-560R and SF-565PR laser fax machines, it's not hard to imagine.
