

IT'S THE WORLD'S #1 SELLING HEADSET THANKS TO SUPERIOR SOUND QUALITY AND UNSURPASSED COMFORT

- **Stable, Near Universal Fit.** Featuring an over-the-head design, the Supra[®] headset is designed to provide most everyone with a stable, secure fit.
- **Long-Wearing Comfort.** Adjustable headband and soft ear cushion are designed to fit perfectly for all day comfort.
- **Superior Sound Quality.** Through its monaural and binaural models, the Supra headset provides crisp, clear sound quality to one or both ears.
- **Flexibility to Meet Specific Needs.** Voice tube model is adjustable and unobtrusive. Designed for noisy environments, the noise-cancelling model blocks out up to 75% of background noise.

Slip on the Supra[®] headset and you'll realize instantly why it is the number one headset all over the world. Thanks to an adjustable headband and lightweight design it is very stable and remarkably comfortable.

The soft ear cushion helps buffer ambient office noise. The sound

quality is unexcelled—so you can talk and use the headset all day long without noticing it.

The Supra headset is perfect for phone intensive jobs, and is available in monaural, binaural, voice-tube and noise-cancelling models to match the needs of your working environment.

SUPRA[®] HEADSET

*Lightweight,
clear sound—
comfortable all
day long.*

H51: Supra® Monaural Headset
