Swingline. StackShred 2500 Hands Free Shredder

HANDS FREE shredding - it's a better way to shred

Now waiting in front of the shredder is a thing of the past - for any size office! With Stack-and-Shred shredders, you simply load your stack of paper, shut the lid and you're done - leaving you time for better things.

The Swingline Stack-and-Shred 250X shredder is ideal for shared use

by up to 5 people. The streamlined design features rolling casters for mobility. The quiet operation makes it perfect for any location. Its 4-digit programmable PIN lock means you are free to walk away with confidence that your information is secure while being shredded.

The 250X features patent pending Hands Free Auto+™ technology. Rollers automatically feed the paper into the cutters, so you don't have to - leaving you time for better things. The 250X features cross cut shredding/security level 3, automatic jam clearance, self cleaning cutters, power saving features and it shreds cds and credit cards. Patent pending technology lets you shred staples and paper clips in any corner.
